### **Institut Sinaran Student achieved Top in the World Award in Malaysian Outstanding Cambridge Learner Awards**

Ms Mah Eung Xuan, a student from Institut Sinaran has received the prestigious awards from Cambridge Assessment International Education to acknowledge her outstanding performance in the November 2017 Cambridge examination series. She received **The Top in the World Award** for the A-Level Advanced Subsidiary Award for the Economics subject

The Outstanding Cambridge Learner Awards programme celebrates the successes of learners who took the Cambridge examinations in over 40 countries around the world. Cambridge places learners at the centre of their international education programmes and qualifications which are inspired by the best in educational thinking.

Top performing students from across Malaysia received their awards at the Outstanding Cambridge Learner Awards Ceremony on 24<sup>th</sup> April 2018, held at Hotel Armada.

The Chief Executive of Institut Sinaran, Madam Marie Yong Pik Hua said that the awards recognized the talent, dedication and commitment of both learners and staff. She said: "Mah Eung Xuan's success is a result of her extraordinary discipline, diligence as well as the exceptional support from our staff and her parents. We hope the students in Institut Sinaran will be inspired by her success and continue to work towards their goals in life. The achievement is also a reflection of Institut Sinaran's long term commitment to continually provide a quality education to the students."

Ng Kim Huat, Country Director, Malaysia and Brunei, Cambridge Assessment International Education said: 'It is extremely rewarding to congratulate Cambridge learners and teachers from across Malaysia who have worked so hard to achieve tremendous success in their Cambridge examinations. The results are a reflection of the enormous talent in Malaysia, not only amongst learners but also within the teaching profession. Learners from Institut Sinaran have a bright future ahead of them, and I wish them every success in their future.'
